

## **Sprint 1 Review**

Vittles

19 October 2016

### **Actions to stop doing:**

- Showing up late to meetings

### **Actions to start doing:**

- Spread out workload more evenly
- Indicate work progress in more detail/more often

### **Actions to keep doing:**

- Keep team updated with latest accomplishments/difficulties
- Maintain current level of communication

### **Work completed/not completed:**

#### Work completed:

- As a user, I would like to be able to save my data so I can reference it later.
  - JK - Firebase: Create database Schemas
  - JK - Firebase: Input Sample Data
  - JK - iOS: Setup cocoapods
  - JK - iOS: Create firebase data managers
  - JK - Firebase: Set Database Rules
  - JK - iOS: Setup Storyboards
  - JK - iOS: Update Review Designs
- As a user, I'd like the website and mobile app to have a similar appearance so that it is easy to navigate in the product across platforms
  - NR - Web: Setup Node server on Heroku
  - TA - Web: Design Post Review Page
  - JK - iOS: Update Restaurant Detail Design
  - JK - iOS: Update Dish Detail Design
  - SB - Web: Results Page
  - SB - Web: Design Dish Detail Page
  - SB - Web: Design Restaurant Detail Page
  - TA - Web: Design Homepage
  - TA - Web: Design Profile/Account Page
  - SB - Web: Hookup to restaurant page
  - SB - Web: Hookup to dish page
- As a user, I'd like to see reviews other users have posted so that I can make judgments on dishes that I am interested in
  - JK - iOS: UI for Dish Detail
  - JK - iOS: UI for Restaurant Detail
  - NR - Web: Setup route to return specific menu item's reviews

- TA - Web: Setup front end to receive review data
- As a user, I'd like to be able to create an account so that I can write reviews and store favorite dishes
  - JK - iOS: UI for Profile
  - TA - Web: Hookup to profile settings page
- As a user, I would like to be able to post reviews so that I can participate in the product that helped me make my decisions
  - TA - Web: Setup route to save/edit reviews
  - JK - ios UI for reviewing Dish

#### Work not completed:

- As a user, I'd like to be able to create an account so that I can write reviews and store favorite dishes
